## Happy Hour & Barbeque

Everyone mucked in to make the day a great success. Maureen cut up a bag of onions, without a tear. Then bashed out an enormous quantity of hamburger mix.

*what a trooper!*

Colleen, Lorna and Anna cut up and buttered the rolls, while George was busy playing waiter.

*Awesome teamwork people!*

**Arts and cooking in Bishop Lodge and plenty of smiles when Muriel meets her companion pup for the first time.**

**Joyce and Nan enjoying some therapeutic colouring in.**

# Young at heart

Young at heart has begun again for this school term and everyone is invited. It's at the Unity Hill Church and gives everyone a chance to interact with some delightful little kids. The bus leaves on Wednesday at 1.15pm from the Boston Ramp.

Not sure what George and Ted are planning but they do remind me of a pair of naughty school boys

THEN HOME LIKE A...

**For something different, we went to Cruises at the Marina for our Fish and Chips. The meals were huge but the residents did them justice, some even coming home with doggy bags.**

**It was nice to see some new faces, Kevin and Bozanna, as well as all the regulars.**

**The young lads running the café were very polite and welcoming and eager to please.**

**On the way back our CEO and substitute bus driver Trevor, entertained us with some interesting music choices...*Meat Loafs, "Bat Out Of Hell"*.**

*"We should wind-down the windows and do a mainy!"*

**Lorna Harding asked if this was appropriate music for eighty and ninety year olds. Then seeing the funny side of it, she came up with the best one-liner ever, "We should wind-down the windows and do a mainy!". You could just imagine the look of shock on pedestrians faces as a bus full of senior citizens drove past with a classic rock song, "Bat Out Of Hell", blaring out of the bus windows.**

*This outing is very popular and if anyone else is interested in joining us, please don't hesitate to let the activity staff know.*

# ANZAC DAY

APRIL 25th

We had a bus full for the trip to the Anzac Day Service. The light horses set the mood for the very moving occasion and there were a few tears as the last post was played and speeches and prayers were read.

Again, we would all like to thank the kitchen staff and in particular Rosie for the gorgeous decorations in the dining room. As always she went above and beyond.

On the day we shared our thoughts with Daryl Toy, Alex Wilson and Lorna Harding, all ex-service people. How proud we are of them and so thankful for their service.

# Time for a Giggle

A man buys a parrot and brings it home, but the parrot starts insulting him and gets really nasty.

So the man picks up the parrot and tosses him into the freezer to teach him a lesson.

He hears the bird squawking for a few minutes. Then all of a sudden the parrot went quiet. The man opens the freezer door, the parrot walks out, looks up at him and said, "I apologize for offending you, and humbly ask for your forgiveness.

The man says, "Well thank you. I forgive you."

The parrot then says, "If you don't mind my asking, what did the chicken do?"

The church held a Marriage Seminar and the Priest asked Luigi, as his 50th wedding anniversary approached, to share some insight into how he had managed to stay married to the same woman all these years.

Luigi replied to his audience, "Well I tried to treat her well and spend money on her, but the best thing I did was take her to Italy for our 20th anniversary."

The Priest said "Luigi, you are an inspiration to all husbands here today. Please tell the audience what you plan for your wife for your 50th anniversary.

Luigi proudly replied. "I'm gonna go and get her."
